SAPC e-Note: NOTICE OF UPCOMING SAPC VIRTUAL INTERN/TUTOR WORKSHOPS

Dear Pharmacist Intern/Tutor/Responsible Pharmacist,

SAPC e-Note: Notice of Upcoming SAPC Virtual Intern/Tutor Workshops

According to the *Regulations relating to pharmacy education and training* (GNR.1156 of 20 November 2000) any person who holds a qualification in pharmacy must, prior to registration as a pharmacist, undertake an internship to the satisfaction of the South African Pharmacy Council ("Council") for a period of not less than one year.

In terms of the programme for the pre-registration year, Council has scheduled information sessions (Intern/Tutor Workshops) which must be attended by both interns and tutors. The workshops will take place virtually (Microsoft Teams) during February and March 2024 over a period of three days as per the table below.

INTERN/TUTOR WORKSHOPS SCHEDULE	
DATE	TIME
07 February 2024 Wednesday	09h00 – 12h00
13 February 2024 Tuesday	18h00 – 21h00
28 March 2024 Wednesday	18h00 – 21h00

Interns and tutors must book online through Council's website for the event. A notice will be sent out with online booking instructions for interns and tutors. Please note that all registered active interns and their tutors must attend the workshops annually as guidelines, assessment criteria and timetables may have changed. Please note that the workshop content is the same for all three workshops and therefore you only need to attend one workshop.

Please feel free to contact the SAPC at interns@sapc.za.org or customercare@sapc.za.org should you require assistance.

Yours sincerely,

Vincent Tlala
