SAPC e-Note: Reminder to complete the CPD annual declaration

Dear Pharmacist,

A REMINDER TO COMPLETE THE CPD ANNUAL DECLARATION

According to Section 3(1) of the *Regulations relating to Continuing Professional Development*, “A person registered in a category which is required by the council to record continuing professional development activities must, on an annual basis, make a declaration to the council, as to whether he or she wishes to be designated as practising or non–practising”.

The 2023 due date for submission of your annual declaration was 1 February 2023. You are thus reminded to complete your CPD annual declaration for 2023 by 28 February 2023. Failure to complete your annual declaration by 28 February 2023 will result in the Office of the Registrar assigning you the same designation as your recent (2022) designation.

If you are designated as practising, you are required to comply with the Continuing Professional Development requirements for the year. Council wishes you well for 2023 and looks forward to your compliance with the 2023 CPD requirements.

Please feel free to contact us on 0861 7272 00 or email pharmacistcpd@sapc.za.org should you have any questions.

Yours sincerely,

VM Tlala
