## SAPC e-Note: CONVERSION OF AN APPROVED TUTOR TO A REGISTERED TUTOR

Dear Tutor,

### SAPC e-Note: CONVERSION OF AN APPROVED TUTOR TO A REGISTERED TUTOR

In terms of Regulation 35 of the *Regulations relating to Education and Training* (GNR. 4937, published on 7 June 2024) as amended, a pharmacist who wishes to act as a tutor is required to be registered with the South African Pharmacy Council as such. Please find the attached **letter** and **certificate** confirming your registration as a Tutor.

Please note that no additional fees were levied for the conversion of your tutor approval to that of a registered tutor. Furthermore, please be advised that your digital tutor registration certificate does not have an expiry date. The linkage of your tutor registration to the relevant premises, Pharmacist Interns and/or learners will remain in effect until such time your association with the premises or individuals is formally terminated.

Please remember to comply with the conditions of your registration to remain on the tutor register.

Please feel free to contact the South African Pharmacy Council at [customercare@sapc.za.org](mailto:customercare@sapc.za.org) if you need assistance.

Yours sincerely,

VM Tlala
