The screenshot shows the South African Pharmacy Council (SAPC) website. The header includes the SAPC logo and navigation links: About SAPC, Registered Persons, Registered Organisations, Members of the Public, Tenders, and a Login button. The main content area is titled 'Pharmacist Intern' and has a sub-header 'Pre-Reg Examinations'. Below this, it states: 'The South African Pharmacy Council (Council), in 2018, developed a new format for the pre-registration examination which is in line with the new competency standards. Council resolved that the pre-registration examination be conducted three times, i.e. in March, August and October as indicated in the schedule below.' A red arrow points to a blue 'click here' link in the text: 'Please click here to access the Pre-registration practice examination (03 June 2025)'. Below this, it says: 'Only candidates booked for the pre-registration examination will be able to access the examination.' and 'Step-by-step guide for accessing the pre-registration examination tutorial ([Download PDF tutorial here \(click to download\)](#)) or watch video below'.

Please note that the Examination Code of Conduct must be adhered to at all times. If you are found to contravene the code of conduct disciplinary action will be instituted.

What do you need for the exam?

Laptop/Desktop with a camera
Smartphone as a second device
Pen/pencil & paper
Reference materials
Calculator

Please note the following profile picture requirements and the instructions to test the camera on your device.

PROFILE PICTURE

Login to the SAPC secure website and upload a suitable profile picture. The picture needs to be:
a colour image taken within the last 6 six months;
of your head and shoulders; and
against a plain background.

When loading the picture on your profile, ensure the picture is correctly rotated.

TESTING OF YOUR DEVICES

Before you write the examination, you need to check that the browser you are using can access your camera and location. You also need to enable pop-up messages.
The operating system on most devices has an inbuilt camera app. Select the start button and select the camera from the list of apps. Open the app and ensure that you can see a clear image of yourself.

Use the following link: <https://proctorededu.com/check> to test the compatibility of your laptop/desktop.

Please be aware of the following:

You may not wear anything that is covering your face.

Avoid sitting in front of a window or light source. Alternatively, close curtains or blinds.

Ensure that your camera is correctly positioned so that your face is in the middle of the screen.

When will you receive your results?

Results will be released once they have been verified and approved by Council.

Yours sincerely,

Vincent Tlala
