SAPC e-Note: PHARMACIST INTERN: LOGIN CHALLENGES DURING THE PRE-REGISTRATION PRACTICE EXAMINATION - 01 JUNE 2023

Dear Pharmacist Intern,

The South African Pharmacy Council (SAPC) is aware of challenges experienced by some interns during the practice examination conducted on 01 June 2023. As a result, the SAPC will be conducting another practice examination to afford interns who experienced challenges and could not proceed with the examination the opportunity to write in preparation for the August 2023 examination.

This opportunity is not only open to interns who experienced challenges, but to any other intern who would like to re-sit the practice examination.

Please click on the following link should you be interested in writing the practice examination:

Yours sincerely,
