SAPC e-Note: PHARMACISTS CHANGE OF DESIGNATION

Dear Head of Pharmaceutical Services,

SAPC e-Note: Over 600 pharmacists designated as non-practising and may not practise as pharmacists

Kindly receive the attached letter notifying you of the change of designation of at least 600 pharmacists from Practising Pharmacists to Non-practising Pharmacists on the register due to noncompliance with the 2021 CPD requirements. Pharmacists designated as non-practising may not practise any of the acts pertaining to the scope of practice of a pharmacist.

You are therefore encouraged to confirm the designations of pharmacists in your employ on the SAPC website to ensure that only pharmacists designated as practising are practising the pharmacist's scope of practice.

Yours faithfully,

VM Tlala
