SAPC e-Note: CHALLENGES DURING PRACTICE EXAM

Dear Intern,

SAPC e-Note: PHARMACIST INTERN: LOGIN CHALLENGES DURING THE PRE-REGISTRATION PRACTICE EXAMINATION - 2 JUNE 2022

The South African Pharmacy Council (SAPC) is aware of the challenges experienced by some interns during the practice examination conducted on 2 June 2022. As a result, the SAPC will be conducting another practice examination to afford interns who could not proceed with the examination the opportunity to write in preparation for the August 2022 examination.

This opportunity is not only open to interns who experienced challenges, but to any other intern who would like to re-sit the practice examination.
